

**Why that girl disappear?**

# University of East London

I am Gabriel...

But my friends call me "Gabby"

...and I have an acceptance letter  
from this University.

"It's a very big university..."

So It  
is my first day but  
it won't work...

I have  
to wear this stupid  
Cochlear Implant... because I am  
deaf and can't hear anything...  
Where's my interpreter? What if they're  
not here?...

But I  
can lip read or  
write to communicate...

...It is  
a big challenge for  
me! I will try my best!

Let's find  
out! I am  
already here...  
I can do it!  
No matter what!

I am  
looking where is  
our Classroom..

Ah.. I  
guess they  
are hearing  
people...

...I  
am the  
only deaf  
person in the  
classroom. I will  
find my seat.

It's  
my first  
day...

I have  
to try...

..to find  
a new  
friend.

Hi,  
I am Hydro!

Uh?...

It was an awkward moment...

What is he  
doing?

?

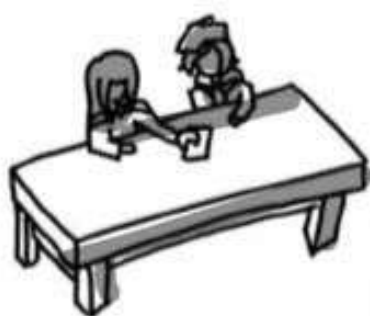

He  
grab his  
sketchbook..

He  
writes on his  
sketchbook..

Sorry.  
I am  
Deaf

I'm sorry I didn't realize that...

but it  
doesn't matter to me, I  
just want to make friends  
with you.

Hi I'm  
Hydro! What's your  
name?

It does work!

Okay. It's my turn.

The only way for a student to leave  
this university is to  
"Graduate by committing Murder!..

Well, I am  
done, Good  
luck! Now you  
can freely go!

Buh~  
Bye!

(Silence)

...I am gonna do is make you  
all live in this school... FOREVER!

Let's do some searching and get to know more about this building of East London University.

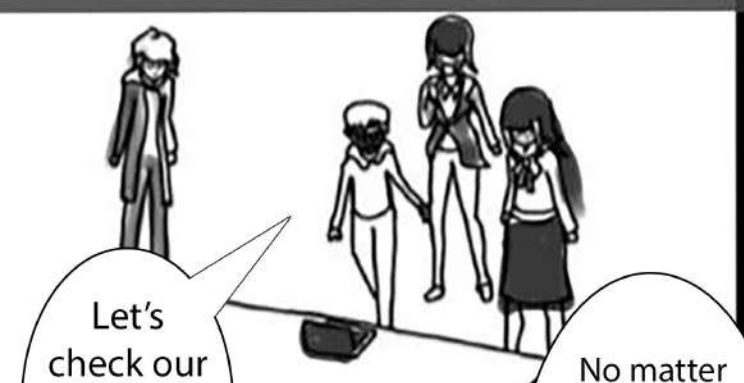

...Did Monokuma tell them, we have to kill each other, right?

But I don't want to kill each other.

Are we stuck in this building?

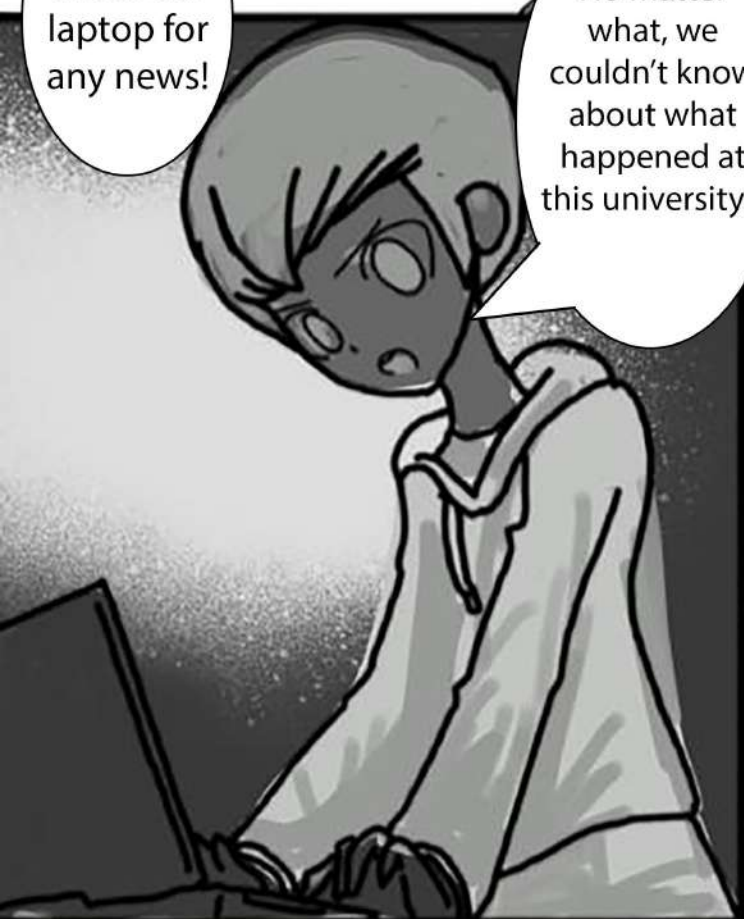

Some doors are locked on all floors. We can use only the Dining room and Library room..

Whilst at the Library...

Let's  
check our  
laptop for  
any news!

No matter  
what, we  
couldn't know  
about what  
happened at  
this university...

...Oh, Let  
me show  
you. I think I  
found it!

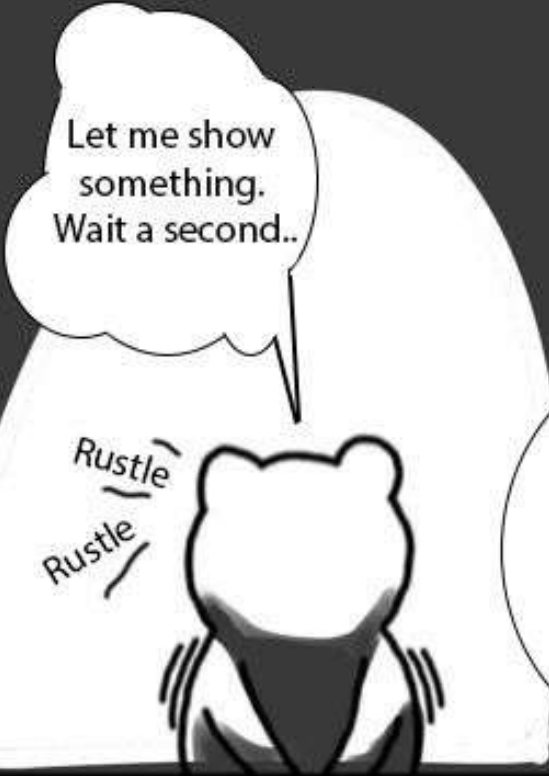

It has been decided to shut down the university. This step was deemed necessary after the **BIGGEST, MOST AWFUL, MOST HOPELESS EVENT IN HUMAN HISTORY LAST YEAR.** The university should repent in the near future once the issues are resolved.

Upupup,  
I am here!

Let me show  
something.  
Wait a second..

Rustle  
Rustle

Here! CDs!  
You need to see your motive..

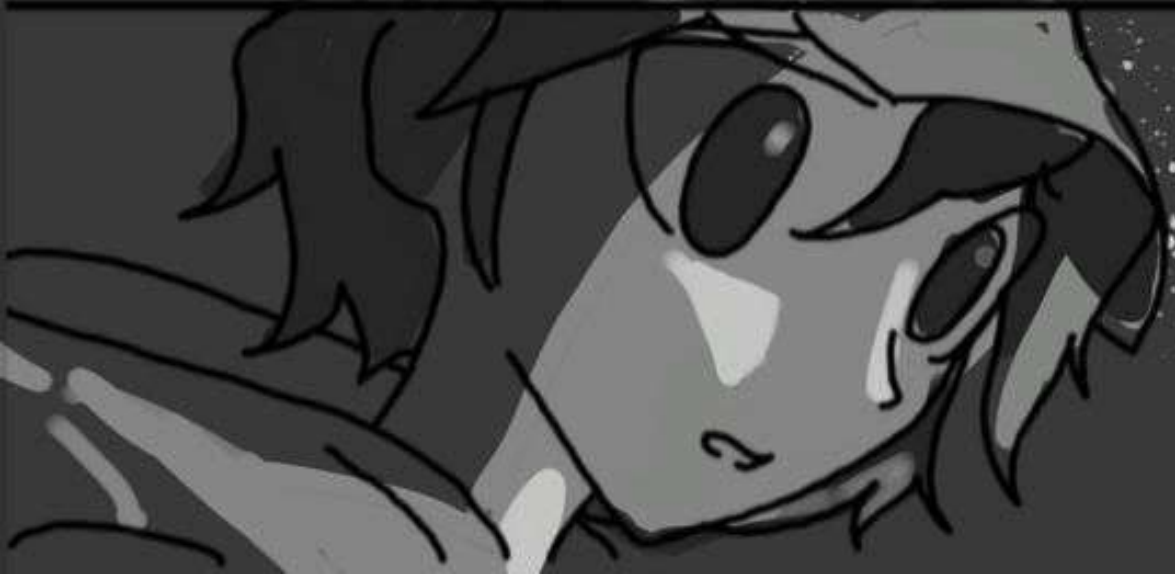

Gabriel

What is  
that? My  
motive?

I am  
holding this,  
Is that CD?

I need to  
see, Is that  
important?"

Where my  
CD from  
related to?  
Into the  
screen?

Maybe  
they are  
doing same?

Oh really? Are  
you going to  
university? You should  
be proud of yourself!

Thank you..

Emily... Jackie...  
Nicholas... Barry...  
Ruby? It is all my friends  
from my club.

I am sure  
that you will  
have a great  
day!

Haha,  
Don't push  
yourself too  
hard..

I am glad  
that you got  
invited!

Let us know,  
what you have  
done anything  
with your work.

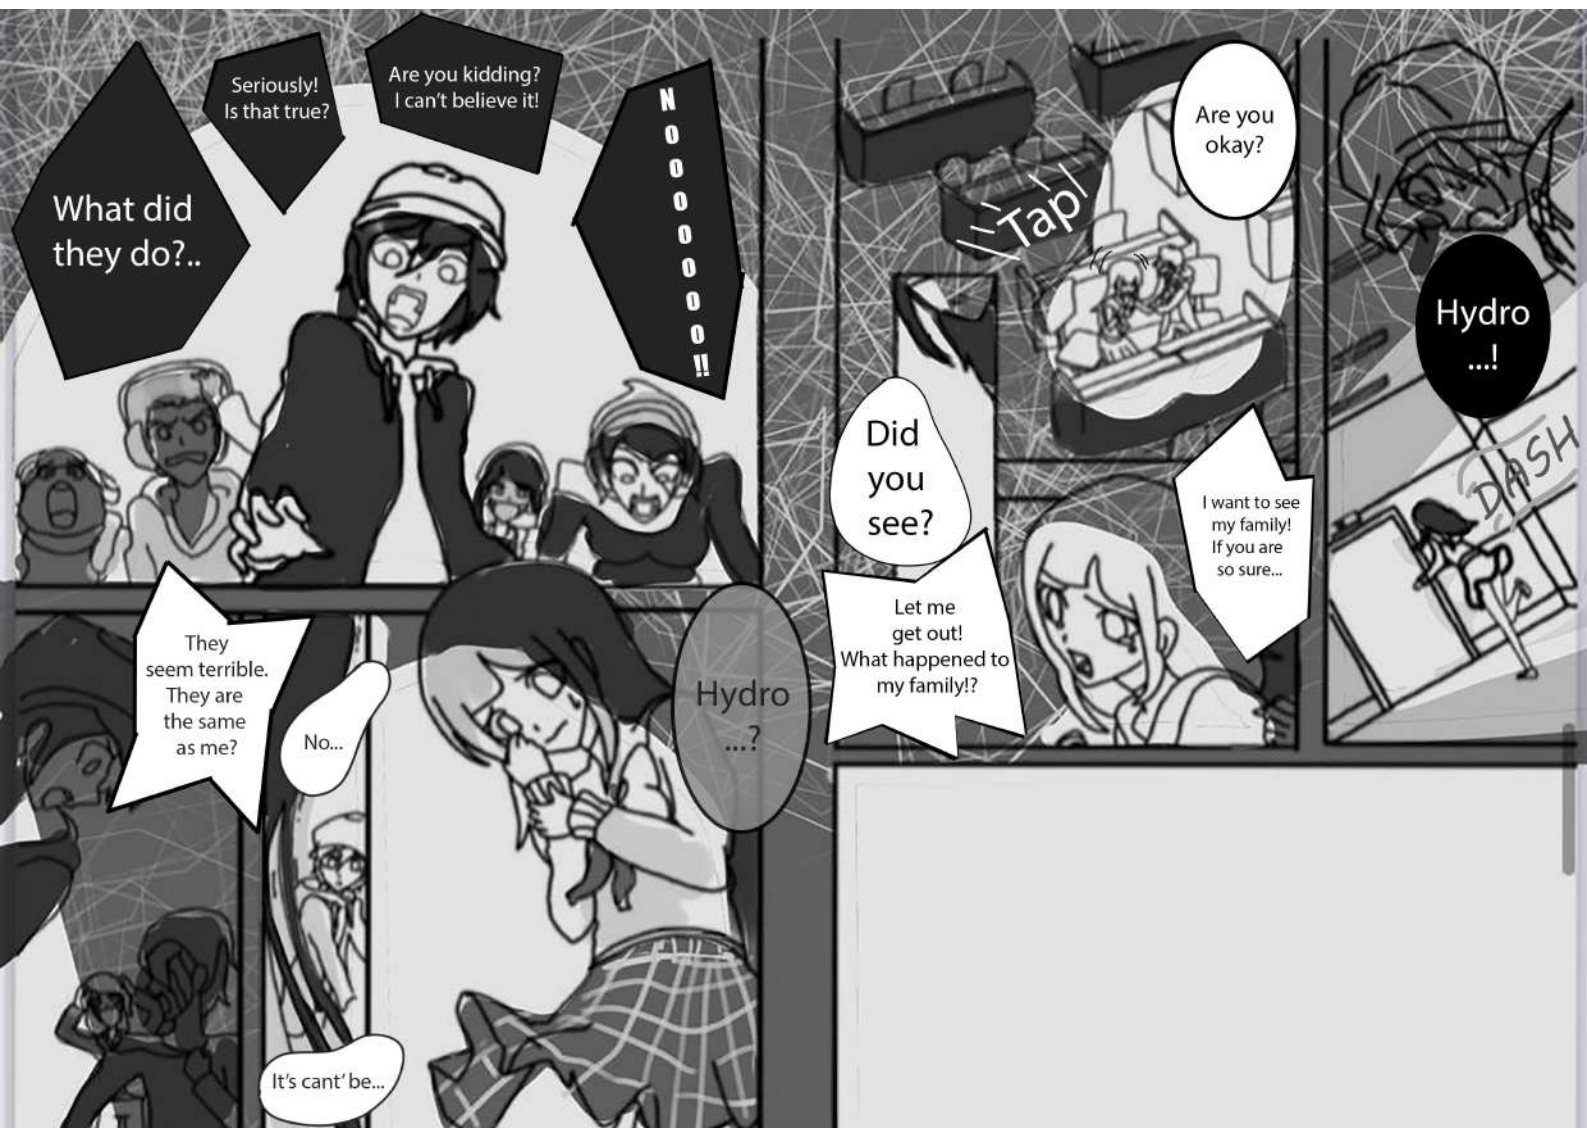

Gabby!  
I can't stop to  
get excited to  
see you next  
year!

What do you think?  
Is it  
possible  
to happen?!

**The answer will  
be announced...  
after "Graduation"**

Well, Here your question comes!  
They are your lovely friends.  
Then, What happened to your friends?

What did they do?..

Seriously! Is that true?

Are you kidding? I can't believe it!

Noooooooo!!

They seem terrible. They are the same as me?

No...

It's cant' be...

Hydro ...?

Did you see?

Let me get out! What happened to my family!?

Are you okay?

Tap!

I want to see my family! If you are so sure...

Hydro ...!

DASH

Now... Is this  
how my new  
university life began?

Really, I  
should have understood  
the moment  
I set foot  
inside this place.  
Why I was trapped  
in this university.

I feel bad  
for my friends.  
They  
need my help...

**University Mystery:  
Why that girl disappear?**  
**Chapter: Cascade**

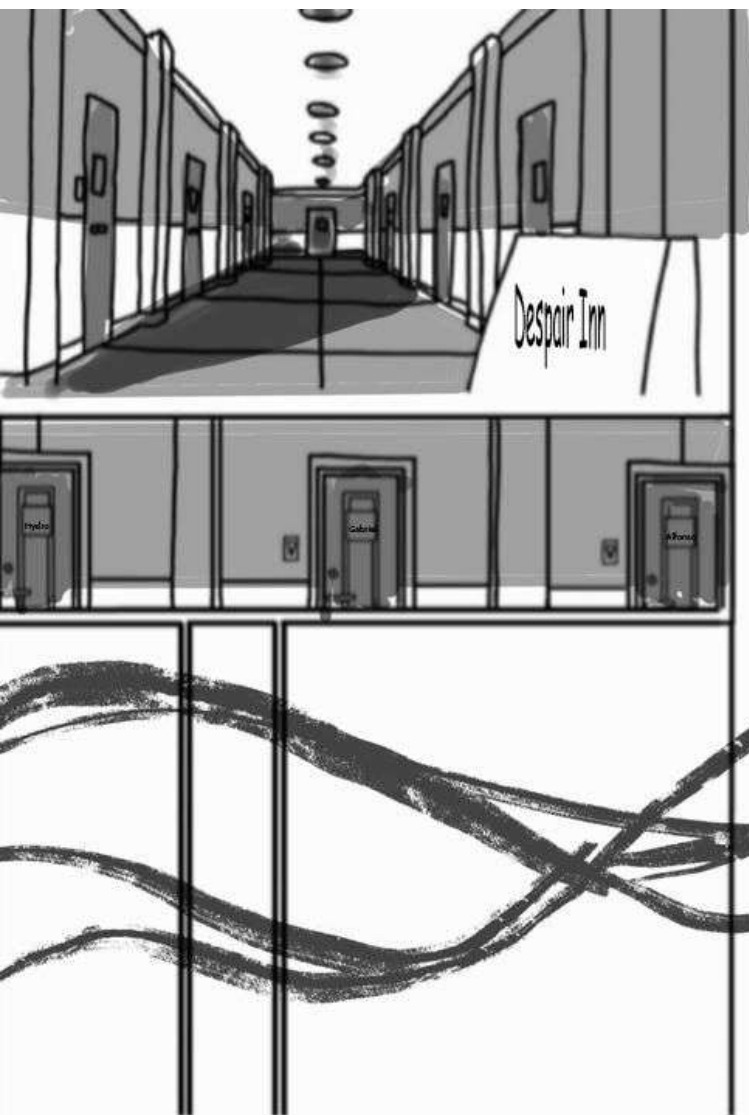

Surviving Students: 8

#01 END

Umm,  
Someone  
forces to try  
to open my  
door...

What  
Hydro meant?... Is it  
related to Monokuma  
announcement and CD's!

..They tried to kill  
Hydro?!...

How we  
got  
stuck  
in this  
university?..

I didn't  
know  
what to do?  
Why we  
need to  
kill  
each other!!!

...I can't  
take it  
anymore...

Wait... Where am I?..

Oh... That's right.  
I switched rooms with Hydro...

Is it  
breakfast time?  
I need to go now  
to the  
Dining room?

Where is he going?

Maybe he is going back to his bedroom?

I am not sure

Oh crap! I can't communicate by talking to them. So I have to check Hydrol!

**Dash**

She's fine!  
It's all just my mind...  
imagination gets the best of me!

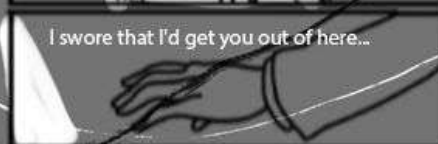

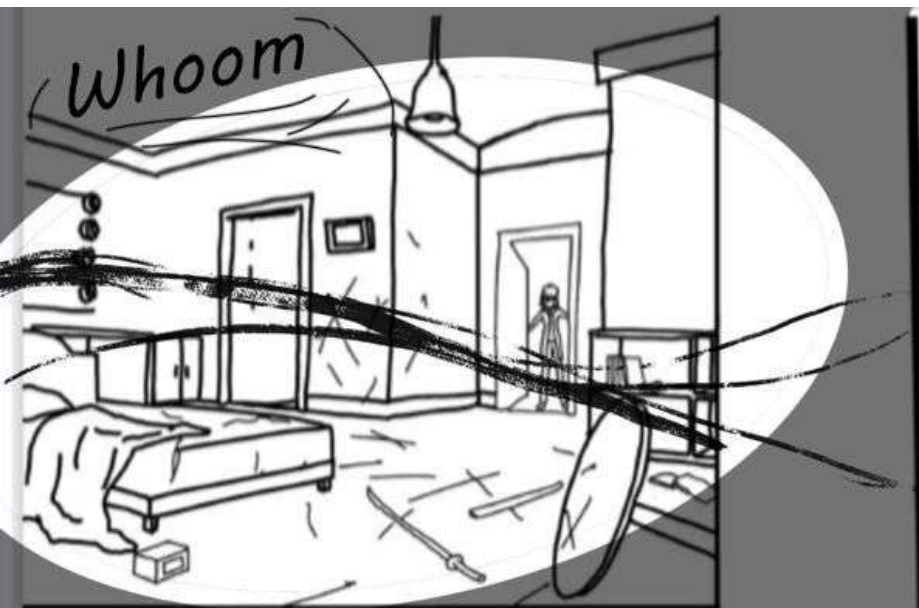

We even traded rooms...  
nothing could have happened to her!

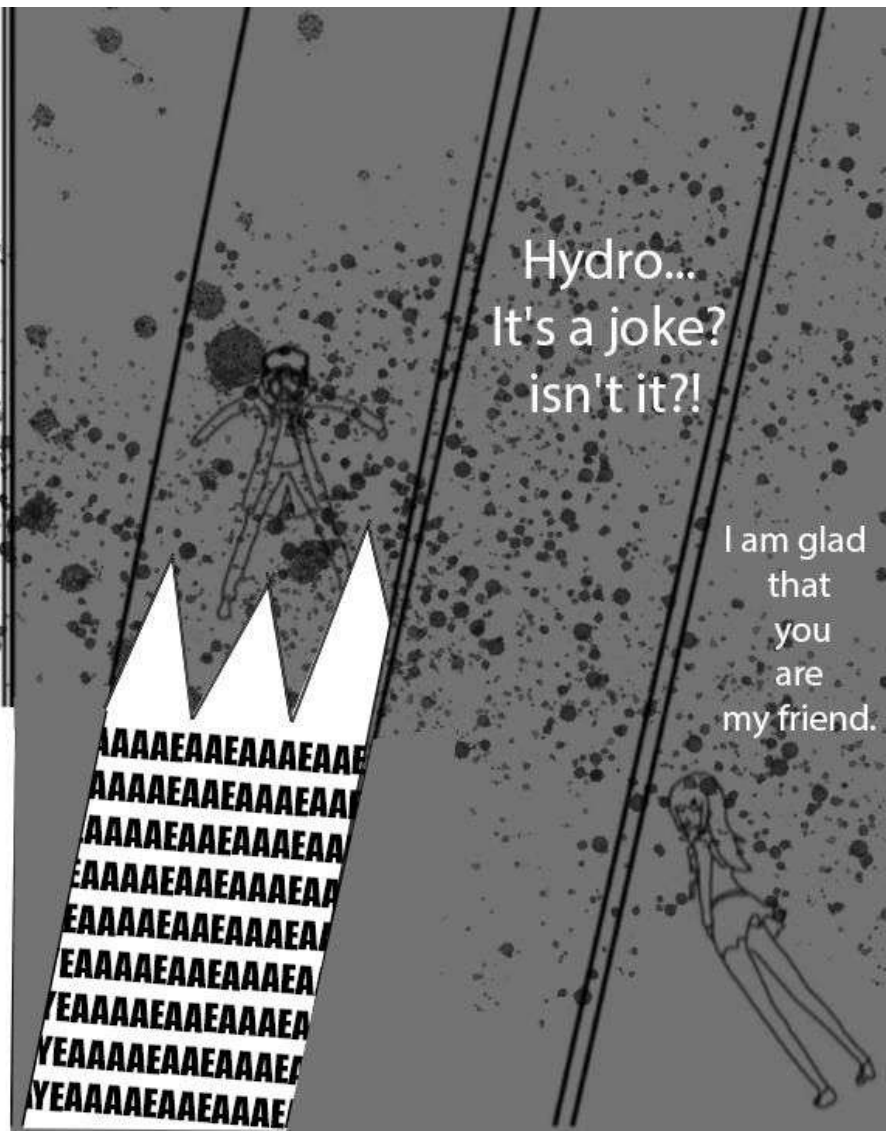

The door's unlocked?...

But it isn't over...

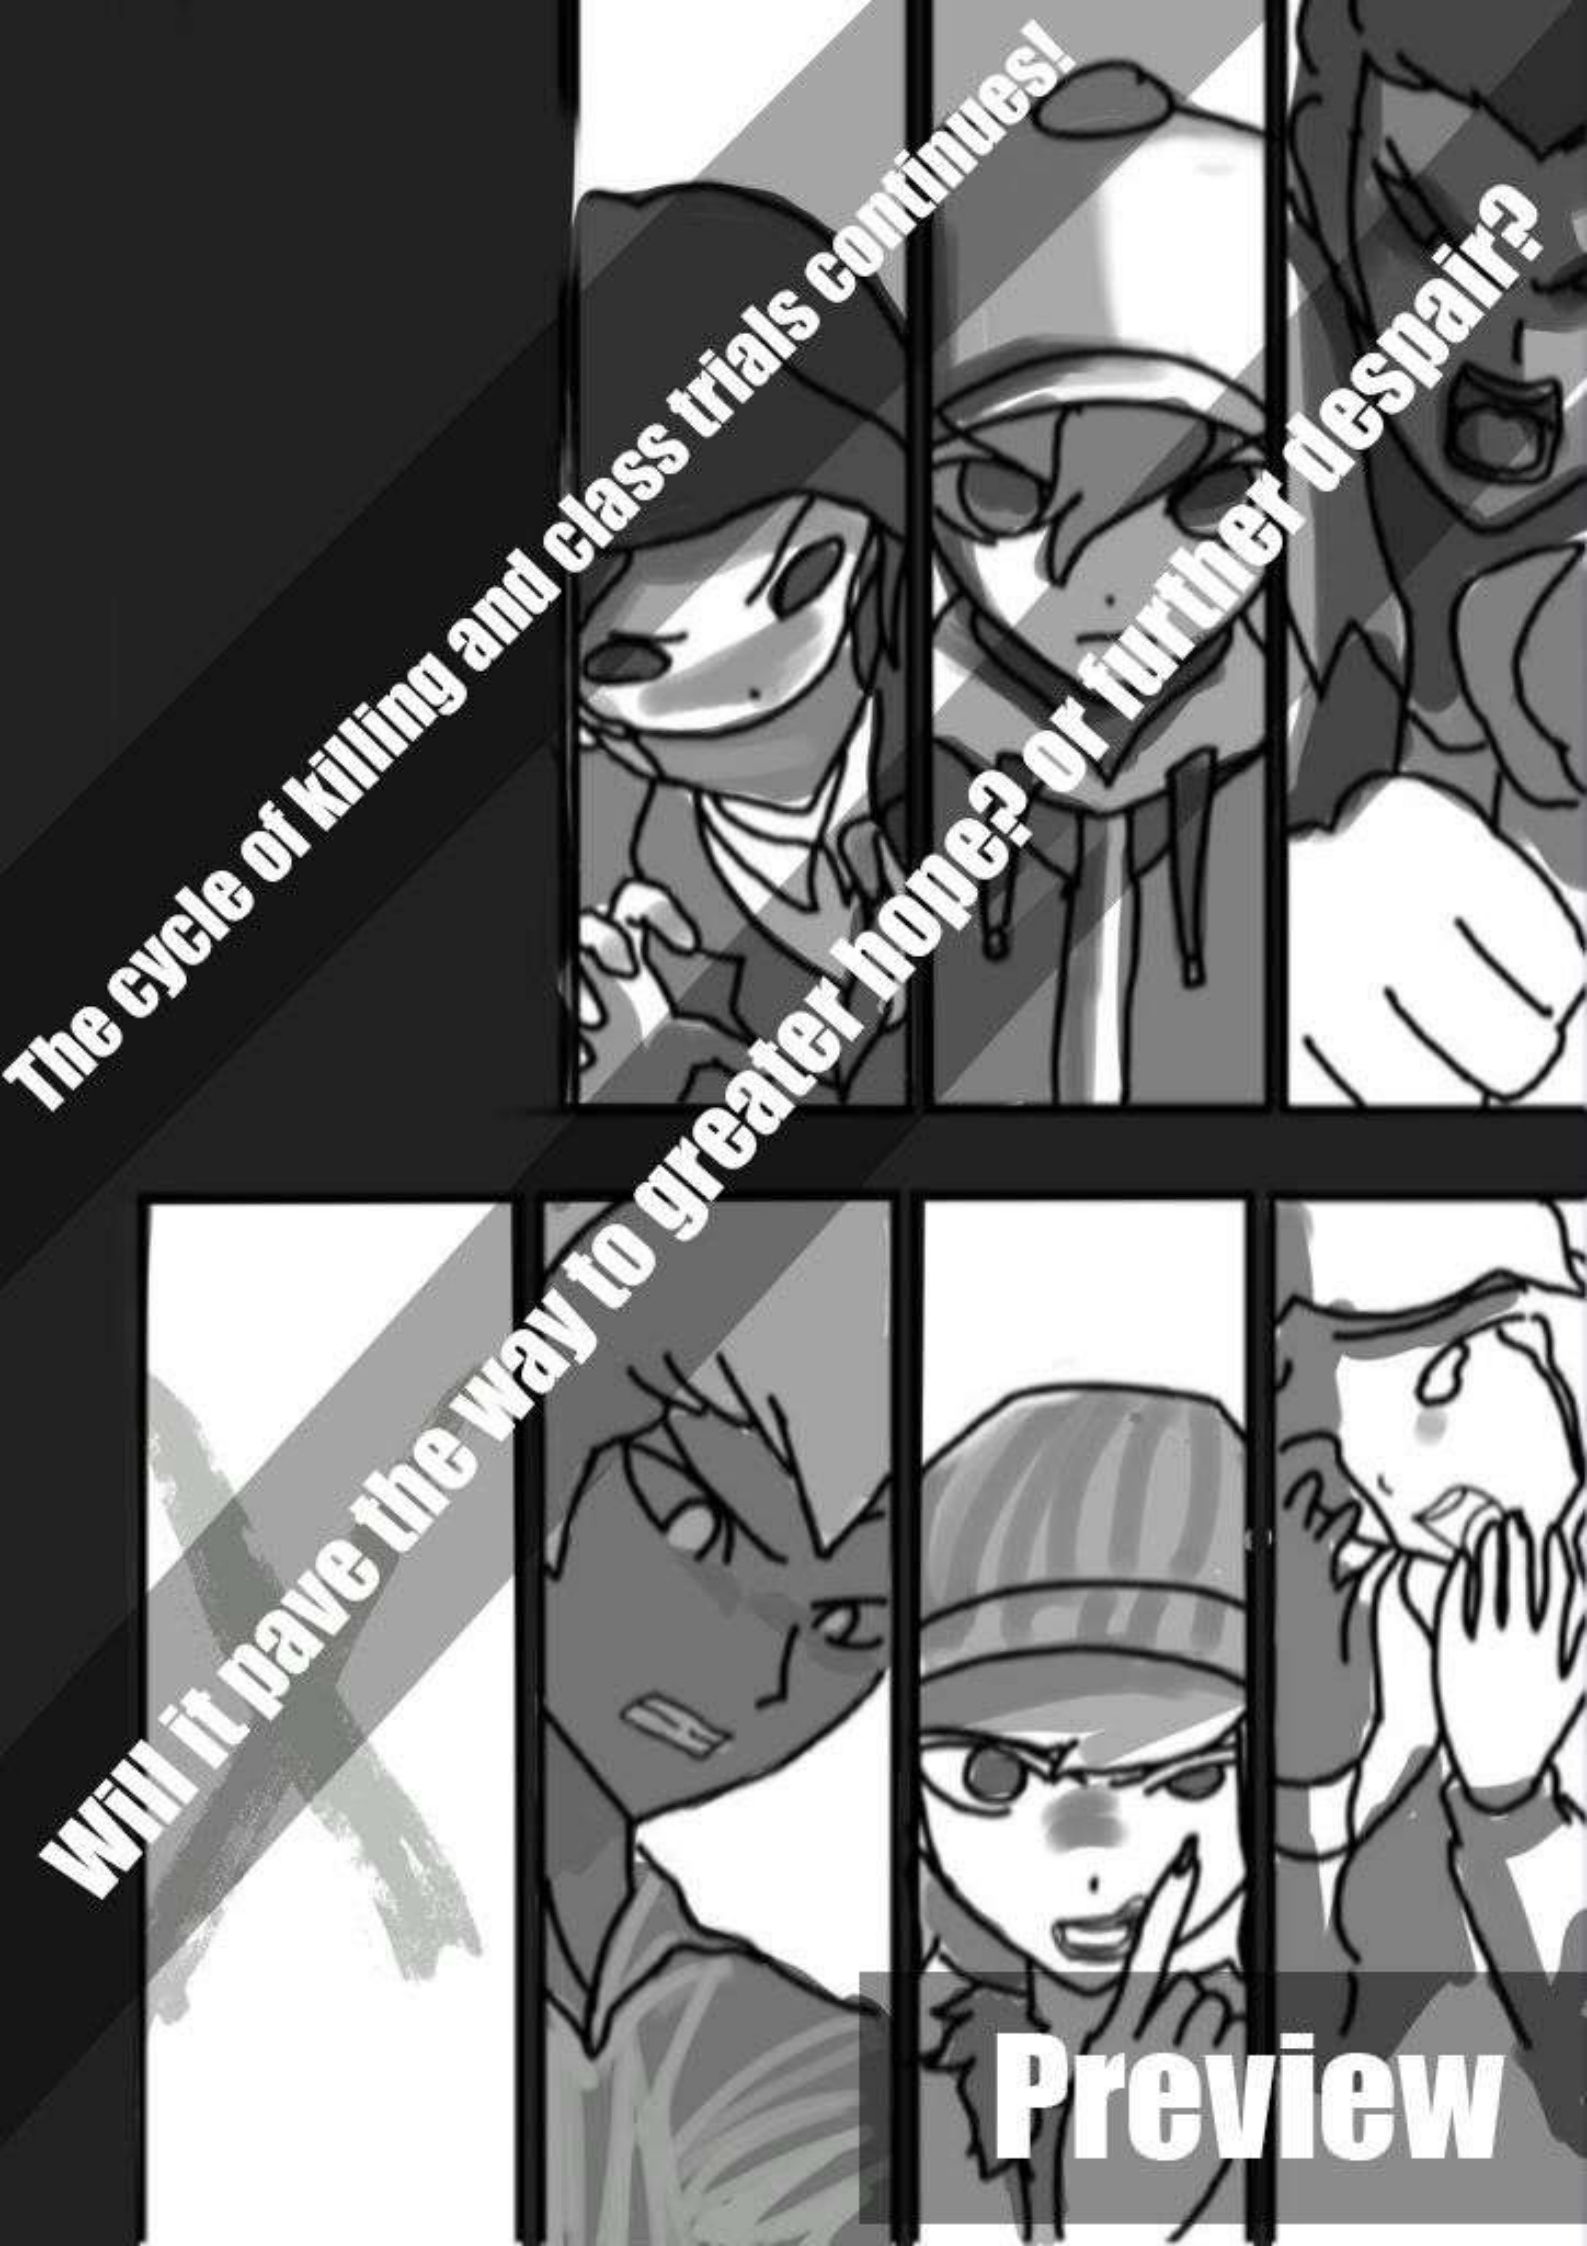

Our despair inside the university  
isn't over yet.

U  
pu  
puu!

Continued in Vol. 2

The cycle of killing and class trials continues!

Will it pave the way to greater hope? or further despair?
